

Equipment Rental and Checkout Policy

Best Choice Realty provides equipment for rent to staff and sales agents. These services are intended to assist the Best Choice Realty in optimizing exposure of Listings.

Rates and Payment

Renting equipment is a FREE service provided by Best Choice Realty. However, there is an extra charge for equipment checked out for extended periods of time. The charge in such cases will be communicated via email.

Your Responsibility

Sales Agents are expected to handle the equipment with the upmost of care. Sales Agents are directly responsible for the equipment and are expected to compensate for any damage incurred during the rental period. If the equipment is lost or stolen, Sales Agent is responsible for the replacement cost of the item. Furthermore, Sales Agents are also responsible for the payment of any late fees that may be applied for special requests or extended duration loans.

Availability

As some equipment supplies are limited and demand for certain equipment peaks during certain times of the week (and year), it is recommended that reservations be placed as early as possible. A minimum of 12 hours of advance notice to Best Choice Realty staff is required for any equipment rental, otherwise an additional \$25 charge may be applied.

Procedure

All equipment rental requests must be made through the support staff via phone call or email. Scheduling requests are handled in the order in which they are received. To return borrowed equipment, simply return to one of the Best Choice Realty office locations.

To request a rental via phone: Call 206-886-3986

To request a rental via email: email support@bestchoicerealtywa.com with what you would like to rent and when you will need the rental. The Best Choice support staff will send an email back indicating a confirmation or rental conflict. Without the receipt of a confirmatory email from the support staff, the reservation is considered pending.

Emergencies

If there is an emergency situation with any rental equipment, please contact the Best Choice support staff to promptly inform them of what has transpired. Call 206-886-3986. If there is an emergency outside of regular office hours (9 AM – 5 PM Monday to Friday), please leave a message and provide as much detail as possible.
