This reference list is provided as a courtesy to you and is current as of March 31, 2015. This list includes service companies that employ Operation & Maintenance Technicians and Specialists certified by the Tacoma -Pierce County Health Department. A report of inspection results will be electronically reported to the Health Department by the septic company . To obtain a copy of your report go to www.onlineme.com.

Applicants are urged to make prudent inquiries and obtain recommendations prior to contracting for the services of companies on this list. The Health Department makes no representation regarding additional qualifications of the following companies and/or their employees, nor does the Health Department guarantee or warrant work performed by companies included in this listing. To verify certification or if you have any questions , please contact us at (253) 798-6470.
